

Enrichment Cluster Invitations

Gardening Enrichment Cluster

Do you like being outside, exploring nature, or watching things grow? Join our Gardening Enrichment Cluster, where you'll plant seeds, care for plants, discover how gardens help the environment, and work with classmates to create something beautiful. You don't need any gardening experience—just curiosity, creativity, and a willingness to get your hands a little dirty. Come grow with us and discover how fun gardening can be!

Ocean and Sea Enrichment Cluster

Do you wonder what lives beneath the waves or how the ocean shapes our world? Join our Ocean and Sea Enrichment Cluster, where you'll explore sea creatures, ocean habitats, waves, and ways we can help protect marine life. You don't need to be an ocean expert—just bring your curiosity and imagination. Dive in with us and discover the amazing mysteries of the sea!

Coding Enrichment Cluster

Do you like solving puzzles, creating games, or making technology do something amazing? Join our Coding Enrichment Cluster, where you'll discover how to build programs, think like a problem-solver, and bring your own ideas to life. No coding experience is needed—just curiosity, creativity, and a willingness to try new things. Come code with us and discover how fun it can be to create with technology!

Baking Enrichment Cluster

Do you enjoy mixing, measuring, decorating, or tasting delicious treats? Join our Baking Enrichment Cluster, where you'll discover how ingredients work together, practice following recipes, and create tasty baked goods with classmates. No baking experience is needed—just bring your curiosity, creativity, and willingness to try something new. Come bake with us and discover how fun it can be to explore in the kitchen!

How to Audition Enrichment Cluster

Do you love performing, singing, acting, dancing, or sharing your talents with others? Join our How to Audition Enrichment Cluster, where you'll discover how to prepare, practice with confidence, and show your best self during an audition. You don't need any experience—just bring your enthusiasm, courage, and willingness to try. Step into the spotlight with us and discover how fun and exciting auditioning can be!

Fashion Design Enrichment Cluster

Do you love sketching outfits, choosing colors, or creating your own unique style? Join our Fashion Design Enrichment Cluster, where you'll explore design ideas, discover fabrics and patterns, and create fashion concepts that show your creativity. No design experience is needed—just bring your imagination, curiosity, and willingness to try something new. Come design with us and discover how fashion can be a fun way to express yourself!

Dance and Spirit Team Enrichment Cluster

Do you love dancing, cheering, moving to music, or helping build school spirit? Join our Dance and Spirit Team Enrichment Cluster, where you'll discover fun routines, practice teamwork, and find creative ways to energize and encourage others. No experience is needed—just bring your enthusiasm, positive attitude, and willingness to try. Come move, cheer, and shine with us as we celebrate school spirit together!

Israeli Pop Music Enrichment Cluster

Do you love music, catchy beats, and discovering songs from around the world? Join our Israeli Pop Music Enrichment Cluster, where you'll listen to upbeat songs, explore Hebrew lyrics and modern sounds, and discover how music can share culture, creativity, and identity. No musical experience is needed—just bring your curiosity, open ears, and willingness to try something new. Come listen, explore, and celebrate the energy of Israeli pop music with us!

Mechanics of Baseball Enrichment Cluster

Do you love baseball or want to discover what makes great players improve their game? Join our Mechanics of Baseball Enrichment Cluster, where you'll explore throwing, hitting, fielding, base running, and the skills behind smart play. No baseball experience is needed—just bring your curiosity, effort, and willingness to practice. Step up to the plate with us and discover how fun it can be to explore the mechanics of the game!

Graphic Novels Enrichment Cluster

Do you love comics, exciting stories, or drawing characters and scenes? Join our Graphic Novels Enrichment Cluster, where you'll explore how pictures and words work together to tell powerful stories. You'll create characters, plan panels, and discover how artists and writers bring graphic novels to life. No drawing or writing experience is needed—just bring your imagination, curiosity, and love of stories!

Gardening and Nature Enrichment Cluster

Do you enjoy being outside, exploring nature, or discovering how plants and animals live together? Join our Gardening and Nature Enrichment Cluster, where you'll plant, observe, investigate, and discover how to care for the world around us. You'll explore gardens, natural habitats, and ways people can help protect the environment. No experience is needed—just bring your curiosity, creativity, and love of the outdoors!

Creating with Canva Enrichment Cluster

Do you enjoy designing posters, slides, invitations, or creative projects that catch people's attention? Join our Creating with Canva Enrichment Cluster, where you'll discover how to use colors, fonts, images, and layouts to make your ideas stand out. You'll practice creating digital designs for school, events, and your own interests while building confidence with a fun design tool. No design experience is needed—just bring your creativity, curiosity, and imagination!

American Sign Language Enrichment Cluster

Do you want to discover a new way to communicate and connect with others? Join our American Sign Language Enrichment Cluster, where you'll practice signs, explore Deaf culture, and build confidence using your hands, face, and body to express ideas. You'll play games, practice useful everyday signs, and discover how language can bring people together. No experience is needed—just bring your curiosity, respect, and willingness to grow!

Currencies of the World Enrichment Cluster

Do you wonder what money looks like in different countries or how people buy and sell things around the world? Join our Currencies of the World Enrichment Cluster, where you'll explore coins, bills, symbols, and the stories behind money from many places. You'll compare world currencies, discover how exchange values work, and connect money to geography, culture, and travel. No experience is needed—just bring your curiosity and get ready to take a trip around the world through money!

Podcasts Enrichment Cluster

Do you enjoy telling stories, sharing ideas, or listening to interesting conversations? Join our Podcasts Enrichment Cluster, where you'll explore how podcasts are planned, recorded, and shared with an audience. You'll practice choosing topics, writing questions, speaking clearly, and using your voice to inform, entertain, or inspire others. No experience is needed—just bring your curiosity, creativity, and something to say!

Yoga and Wellness Enrichment Cluster

Do you want to feel calmer, stronger, and more focused during your day? Join our Yoga and Wellness Enrichment Cluster, where you'll explore gentle movement, breathing exercises, mindfulness, and healthy habits. You'll practice ways to relax, build balance, and care for your body and mind in a positive space. No experience is needed—just bring your curiosity, comfortable energy, and willingness to try!

Love and Nurturing Enrichment Cluster

Do you enjoy helping others, showing kindness, and making people feel cared for? Join our Love and Nurturing Enrichment Cluster, where you'll explore ways to build compassion, encourage others, and create a more caring community. You'll practice thoughtful communication, acts of kindness, and ways to support friends, family, and classmates. No experience is needed—just bring your open heart, positive attitude, and willingness to make a difference!
