

CONFRATUTE 2026

THE SCHOOLWIDE ENRICHMENT MODEL (SEM) **IMPLEMENTATION SURVEY**

Creating an SEM Blueprint for Your School

1. Have you implemented any Renzulli Schoolwide Enrichment Model (SEM) elements in your school(s)?
2. If so, which facets have you begun, and what specifically have you done to monitor their effectiveness? (Possible examples: enrichment clusters/electives, total talent portfolios, curriculum compacting, infusion of the SEM into the content areas, etc.)
3. Why do/did you want to infuse the SEM into your school(s)? What potential benefits do you see for your students and school community?
4. What is the most critical information you would like to bring back to your school(s) after attending this year's Confratute about implementing this model?
5. What is essential to know about your school to help us prepare a prescriptive implementation plan for your school(s)?
6. What are the most challenging areas in establishing/furthering this program in your school(s)? We understand this is a challenging task and are here to support you!
